## The Commonwealth of Massachusetts

William Francis Galvin, Secretary of the Commonwealth

To the Reader:

I am happy to present this publication of election results, which takes advantage of printing techniques involving computerized type setting and the continued combination of primary and election results on the same page.

In addition to the 1994 state primary and general election results, this book contains combined tables of enrollment, registration, and turnout for each community in the Commonwealth, as well as percentage calculations for state-wide offices and state-wide ballot questions.

After the primary and election each community sends to the Secretary of the Commonwealth an official report detailing how many votes were cast for each candidate for each office and every question on the ballot. This publication is then prepared from these results.

Write-in and sticker votes are consolidated and listed under "all others." Only those candidates who won or made significant impact are listed by name.

I'm always looking for ideas to improve the way elections are conducted and the manner results are reported in Massachusetts, including the format of this publication. I'd be happy to have any suggestions you may wish to offer. I hope that this volume will be easy for you to use.

Sincerely,

A handwritten signature in cursive script that reads "William Francis Galvin".

William Francis Galvin  
Secretary of the Commonwealth

## QUESTION 1

## LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

## SUMMARY

This proposed law would limit the way in which business and certain nonprofit corporations could contribute to and spend money on campaigns involving an initiative, referendum or other question submitted to the voters at a state or local election. The proposed law would require ballot committees organized to support or oppose any question submitted to the voters to disclose promptly certain contributions made late in the campaign; would establish procedures that business and certain nonprofit corporations would have to follow in order to spend money on ballot question campaigns; and would establish voluntary spending limits for ballot committees.

The proposed law would require a ballot committee to report to the state Office of Campaign and Political Finance, within one business day of receipt, the name, address, occupation and employer of any person or organization making a contribution of \$1,000 or more, if the contribution was made before the date of the election but after the closing date of the last official campaign contribution report.

Under the proposed law, business and certain nonprofit corporations would be prohibited from making contributions or expenditures to support or oppose a ballot question, but would be permitted to create and solicit contributions to a separate fund to be used to support or oppose a ballot question. A separate fund would be required for each ballot question on which the corporation intended

to solicit contributions. The corporation would be required to report all amounts spent to establish and administer the fund to the Office of Campaign and Political Finance, and to a city or town if the fund were established to influence the vote on a local ballot question.

Contributions to the separate fund could be solicited only from members or stockholders, officers and directors, and employees at a policymaking, managerial or professional level. Coreion, job discrimination and financial reprisals as methods of soliciting contributions would be prohibited. Nonprofit corporations that are formed for the purpose of promoting political ideas, do not engage in business activities, have no shareholders, and do not have business corporations as members or accept more than one percent of their revenues from such corporations would be exempt from these provisions. A business organization that violated these requirements could be fined up to \$50,000, and any director or agent of a business organization who violates or authorizes the violation of these requirements could be fined up to \$10,000 and/or imprisoned for up to one year.

The proposed law would establish voluntary spending limits for ballot committees at \$1,000,000 in the year of an election, and \$250,000 in the years immediately before and after an election. Ballot committees agreeing to observe these voluntary limits would be permitted to announce their compliance on advertisements and campaign materials. Ballot committees that agreed to observe the spending limits and later exceeded the limits could be fined up to \$10,000.

The proposed law states that if any of its provisions were declared invalid, the other provisions would remain in effect.

## QUESTION 2

### REFERENDUM ON AN EXISTING LAW

Do you approve of a law summarized below, which was approved by the House of Representatives on January 4, 1994, by a vote of 105 to 49, and approved by the Senate on January 4, 1994, by a vote of 26 to 11?

#### SUMMARY

This law requires drivers and passengers in certain motor vehicles on public ways to wear properly adjusted and fastened safety belts. The law applies to persons driving or riding in private passenger motor vehicles or riding in vanpool vehicles or trucks under 18,000 pounds. It also applies to employees of cities, towns, counties, and districts. The law does not apply to: (1) children under twelve years old who are required by another state law to use safety belts or other child passenger restraints; (2) vehicles manufactured before July 1, 1966; (3) persons certified by a physician as physically unable to use safety belts; (4) U.S. Postal Service rural carriers while performing their duties; (5) persons involved in operating taxis, liveries, tractors, trucks of 18,000 pounds or more, buses; or (6) passengers in authorized emergency vehicles.

The law is enforced by law enforcement agencies only when a driver has been stopped for a motor vehicle violation or some other offense. A driver and each passenger 16 years old or older may be fined \$25 for not using a safety belt when required. A driver may also be fined \$25 for each passenger between 12 and 16 years old who is not using a safety belt when required. A person who receives a citation for violating the law may challenge it using the same procedure that

applies to most other automobile law violations. A violation is not considered a moving violation for motor vehicle insurance surcharge purposes.

The law directs the state Registrar of Motor Vehicles to require police officers, when reporting automobile accidents, to record whether safety belts were used. The law directs the Governor's Highway Safety Bureau to (1) conduct a public information and education program on motor vehicle occupant protection; (2) evaluate and report to the Legislature, by June 1, 1995, on the effectiveness and degree of compliance with the law; and (3) make annual surveys of safety belt use.

The law requires the state Commissioner of Insurance to evaluate, report, and make recommendations to the Legislature concerning the effectiveness of the law and the frequency of bodily injury claims during the law's first year of operation. The Commissioner must also require at least a 5% reduction in bodily injury insurance premiums if the observed safety belt use rate among all vehicle occupants is 50% or more after the law's first year of operation. The Commissioner is required to take into account the annual safety belt use survey results in future decisions setting bodily injury premiums and the Commissioner must further reduce those premiums if the safety belt use rate in Massachusetts exceeds the national average.

The law provides that failure to wear a properly fastened safety belt may not be considered as contributory negligence or used as evidence in any civil lawsuit. It also states that no insurance company may either (1) deny coverage to a person who failed to wear a safety belt during an accident that led to bodily injury, or (2) refuse to issue a motor vehicle liability policy based on a violation of this law.

# REFERENDUM ON AN EXISTING LAW

Do you approve of a law summarized below, which was approved by the House of Representatives on May 28, 1993 by a vote of 112 to 39, and approved by the Senate on June 23, 1993 by a vote of 20 to 19?

## SUMMARY

This law eliminates one of the two ways in which students may authorize fees to be assessed on tuition bills at state-operated colleges and universities to support nonpartisan student organizations that attempt to influence state legislation. The law applies to community and state colleges and the University of Massachusetts. The law takes the place of previous law that allowed a student body, by a majority vote in an official student body referendum, to authorize a "waivable fee," or (at state colleges and the University) an "optional fee," to be collected for such nonpartisan student organizations. Under this law, the boards of trustees at community and state colleges and the University are prohibited from collecting waivable fees and may only collect optional fees for such organizations.

A "waivable fee" is collected when authorized by a majority of those students voting in an official student body referendum. A waivable fee is an amount payable on a tuition bill, appearing as a separately assessed item and accompanied by a statement that the fee is not a charge required to be paid by the student but rather that the student may deduct the charge from the total amount due. The tuition bill also explains the nature of the fee and states that the fee appears on the bill at the request of the student body and does not necessarily reflect the endorsement of the board of trustees.

An "optional fee" is collected when authorized by a majority of those students voting in an official student body referendum. An optional fee is an amount payable on a tuition bill, appearing as a separately assessed item and accompanied by a statement that the fee is not a charge required to be paid by the student but rather that the student may add the charge to the total amount due. The tuition bill also explains the nature of the fee and states that the fee appears on the bill at the request of the student body and does not necessarily reflect the endorsement of the board of trustees.

## QUESTION 4

## LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

## SUMMARY

This proposed law would prevent the name of a person from being printed on a state primary or general election ballot as a candidate for one of a number of specified state and federal public offices, if the person had already served a certain number of consecutive terms in that office within a fixed period preceding the end of the then-current term of office. If such a person were still elected by write-in vote to one of the state offices (except the office of Governor), the person would serve without a salary, and in some of the state offices, without payment for certain expenses.

Under the proposed law, the name of a person could not be printed on a primary or general election ballot as a candidate for the office of Governor, Lieutenant Governor, Secretary of State, State Treasurer, State Auditor, or State Attorney General, if the person had served two consecutive terms (eight years) in that office in the eleven years prior to the end of the then-current term of office. The name of a person could not be printed on a primary or general election ballot as a candidate for the office of Governor's Councilor, State Representative, State Senator, or United States Representative from Massachusetts, if the person had served four consecutive terms (eight years) in that office in the nine years prior to the end of the then-current term of office. The name of a person could not

be printed on a primary or general election ballot as a candidate for the office of United States Senator from Massachusetts, if the person had served two consecutive terms (twelve years) in that office in the seventeen years prior to the end of the then-current term of office. The proposed law would not prevent any voter from casting a write-in vote for any person as a candidate for any office.

If a person made ineligible by the proposed law to have his or her name printed on the ballot as a candidate for the office of Lieutenant Governor, Secretary of State, State Treasurer, State Auditor, State Attorney General, Governor's Councilor, State Representative or State Senator were still elected to that office by write-in vote, the person would serve without a salary. If such a person were elected to the office of Lieutenant Governor, Governor's Councilor, State Representative or State Senator, the person would also serve without payment for certain expenses.

The current terms of the persons serving as Governor, Lieutenant Governor, Governor's Councilor, State Representative, State Senator, United States Representative from Massachusetts, and United States Senator from Massachusetts, would not be counted for purposes of the proposed law. The terms of the persons elected in 1990 to the office of Secretary of State, State Treasurer, State Auditor, or State Attorney General would be counted.

Any person who served for more than half of a term in an office would be treated as having served a full term in that office. Any person who resigned from an office would be treated as having served a full term.

The proposed law states that if any of its provisions were found invalid, the other provisions would remain in effect.

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would allow retail stores to open at any time on Sundays and on the legal holidays of Memorial Day, July Fourth, and Labor Day. # LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

## SUMMARY

This proposed law would change the state personal income tax laws if a proposed amendment to the Massachusetts Constitution requiring income tax rates to be graduated is approved at the 1994 state election. This proposed law would (1) set graduated income tax rates to replace the existing tax rate structure, (2) change exemptions and deductions relating to dependents, child care expenses, head of household status and personal exemptions, (3) establish a property tax and water rate credit of up to \$200 for taxpayers below certain income levels, (4) increase the maximum income levels for no-tax status and the limited income credit, (5) establish a "capital formation incentive" to replace the existing capital gains exclusion, and (6) provide that taxpayers will not pay more Massachusetts income tax for 1995 than they would have paid under 1992 law, if their 1995 adjusted gross income is below certain levels (for instance, \$60,000 for single filers and \$100,000 for married couples filing jointly).

### (1) PROPOSED GRADUATED INCOME TAX RATES WOULD:

- Set the following state tax rates for all Massachusetts taxable income (after subtracting applicable deductions and exemptions):

Tax Rate	single	married filing jointly	married filing separately	head of household
	up to	up to	up to	up to
5.5%	\$50,200	\$81,000	\$40,500	\$60,100
8.8%	over \$50,200	over \$81,000	over \$40,500	over \$60,100
	up to	up to	up to	up to
	\$90,000	\$150,000	\$75,000	\$120,000
9.8%	over \$90,000	over \$150,000	over \$75,000	over \$120,000

A taxpayer whose total taxable income exceeded the upper limit for the 5.5% or 8.8% income bracket would still be taxed at the lower rate for income within that bracket. For example, a single person with \$100,000 in taxable income would be taxed at 5.5% on \$50,200 of that income, at 8.8% on the next \$39,800, and at 9.8% on the remaining \$10,000 of that income. The income brackets would be increased annually, starting in 1996, to account for changes in the cost of living.

- Eliminate the existing division of Massachusetts income into Part A income (generally, dividends, capital gains, and certain interest), currently taxed at 12 percent, and Part B income (all other income), currently taxed at 5.95 percent.
- Create a "head of household" filing status for single persons who have dependents and who file federal returns as heads of households.
- Prevent any gain from the sale of a taxpayer's principal residence from being taxed by the state at a rate higher than 6%.
- Provide that non-residents would pay tax on their Massachusetts income based on the income rate brackets applicable to their total income (including Massachusetts and other income).

### (2) PROPOSED CHANGES IN EXEMPTIONS, DEDUCTIONS AND CREDITS WOULD:

- Replace the child and dependent care expense deduction with a child and dependent care tax credit equal to 60% of the federal child and dependent care tax credit.
- Increase the existing exemption for each claimed dependent from \$1,000 to \$2,000.
- Allow heads of households a personal exemption of \$3,400, plus \$2,200 if blind and \$700 if 65 years of age or over.
- Reduce personal exemptions gradually for taxpayers whose adjusted gross income exceeded \$60,000 for single filers, \$100,000 for married persons filing jointly, \$50,000 for married persons filing separately and \$80,000 for heads of households. The personal exemption would be eliminated entirely for filers whose adjusted gross incomes exceeded these amounts by more than \$50,000 (\$25,000 for married persons filing separately). These amounts would be increased annually, starting in 1996, to account for changes in the cost of living.
- Allow interest and dividends from deposits in all banks and institutions to qualify for the \$100 deduction (\$200 for married couples) currently applicable only to Massachusetts bank interest and dividends.
- Allow the \$1000 net capital loss deduction to be taken against all income, not just against Part A income as current law provides.

### (3) PROPOSED PROPERTY TAX AND WATER RATE CREDIT WOULD:

- Create a property tax and water rate credit of up to \$200 for eligible homeowners and renters who have total incomes less than: \$30,000 for married couples, \$25,000 for head of household filers and \$20,000 for single filers. The amount of the credit would depend on the amount by which the taxpayers' real estate property tax and water charges exceeded 10% of their

corporations engaged in active business, and held for required periods of time, would qualify for the deduction. The amount of the deduction would be 30% of the gain on stock held at least 3 years; 50% for stock held at least 5 years; and 70% for stock held at least seven years. Detailed provisions would restrict the benefit of this deduction to stock issuances which reflect new investments in businesses, and would disqualify stock in certain types of corporations that receive special tax treatment under existing law.

- (4) PROPOSED \$2000 INCREASE IN THE EXISTING INCOME THRESHOLDS FOR NO-TAX STATUS WOULD:

- Exempt taxpayers at or below the following levels of adjusted gross income from paying income tax: \$14,000 for married couples filing jointly, \$12,000 for head of household filers, and \$10,000 for single filers. These levels would be adjusted annually, starting in 1996, to account for changes in the cost of living. The new levels also would apply to the limited income credit which is available to taxpayers with adjusted gross income up to 175 percent of these levels.

- (5) PROPOSED CAPITAL FORMATION INCENTIVE WOULD:

- Replace the current 50% capital gains deduction with a "capital formula-tion incentive" deduction, which would allow partial deductions for gains from the sale or exchange of qualified stock issued by certain corporations that employ 50% or more of their employees in Massachusetts.
- Only gains on original stock purchased on or after January 1, 1995 from certain

- (6) PROPOSED CAP ON TAX LIABILITY FOR CERTAIN TAXPAYERS IN 1995 WOULD:

- Excuse taxpayers at or below the following levels of adjusted gross income, as determined under the proposed law, from owing more Massachusetts income tax in 1995 than they would have owed under 1992 law: \$100,000 for married couples filing jointly, \$90,000 for heads of households, \$60,000 for single filers, and \$50,000 for married persons filing separately.

- (7) EFFECTIVE DATE:

- If the State Constitution is amended at the 1994 election to require graduated income tax rates, the proposed law would be effective beginning in tax year 1995. The proposed law states that if any of its provisions were found invalid, the other provisions would remain in effect.

Note: Wherever this summary refers to current or existing law, the reference is to the law in effect in August 1993, when this summary was prepared.

QUESTION 8

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would increase the portion of gasoline tax revenue that would be credited to the state Highway Fund; prohibit the transfer of money from the Highway Fund to other state funds for other purposes; declare that citizens have a right to a safe and efficient public highway, road and bridge system and require the state to develop a comprehensive seven-year state transportation plan; and make certain other changes in state finance laws relating to the Highway Fund.

The proposed law would require that the small portion of state gasoline tax revenues that is deposited in funds relating to the use of watercraft be deposited instead in the Highway Fund. No revenue deposited in the Highway Fund could be transferred to any other state fund for any purpose other than one for which the Highway Fund may be used.

The proposed law would declare that the citizens of Massachusetts have a right to a safe and efficient public highway, road and bridge system, constructed and maintained by the state and its counties, cities and towns. The state Secretary

of Transportation and Construction would be required to prepare a comprehensive state transportation plan for the period July 1, 1995 through June 30, 2002, to be updated every three years. The plan would provide for the repair or reconstruction of at least five percent of public highways and bridges every year, and it would establish priorities for highway, road and bridge projects based on condition and safety factors. The plan would be designed to promote economic development and employment by meeting the various transportation needs of residents throughout the state. The plan would be prepared after a public hearing and after consultation with the state Secretaries of Environmental Affairs and Economic Affairs.

Under the proposed law, money in the Highway Fund would no longer be considered in determining whether the state government has sufficient money on hand to set some aside for use in fiscal years or to deposit some in the state tax reduction fund. The proposed law would declare that no more than 15% of gasoline tax revenues could be used for mass transportation purposes, but it would not prevent the state Legislature from appropriating additional gasoline tax revenues for such purposes.

The proposed law states that if any of its provisions were declared invalid, the other provisions would remain in effect.

# LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

## SUMMARY

This proposed law would prohibit rent control for most privately owned housing units in Massachusetts, and would nullify certain existing rent control laws, except that cities and towns would be authorized to adopt a restricted form of rent control for a six month period, after which compliance by property owners would be voluntary.

The proposed law would prohibit any city or town from enacting, maintaining or enforcing any law that requires below-market rents for residential properties. It would also prohibit the regulation of occupancy, services, evictions, condominium conversion, or the removal of the unit from rent control, if such

regulation was part of a system requiring below-market rents. Existing state and local rent control laws would be nullified. The proposed law would not affect publicly owned or subsidized housing, federally assisted housing, or mobile homes.

Cities and towns would be authorized to adopt rent control for a six-month period on housing units that have a fair market rent of \$400 or less and that are owned by a person or entity owning ten or more rental units. Such rent control could not include the regulation of occupancy, services, evictions, condominium conversion, or the removal of the unit from rent control. The city or town would have to pay the owners of rent-controlled units the difference between the controlled rent and the fair market rent. After six months, owners of rent-controlled units would not be required to comply with the rent control regulation or with any other such regulation that the city or town might adopt in the future.

The proposed law would take effect on January 1, 1995. The proposed law states that if any of its provisions were declared invalid, the other provisions would remain in effect.

QUESTION 10

Shall an act passed by the general court in the year nineteen hundred and ninety-four, entitled "An act establishing a board of selectmen-town manager form of administration in the town of Sudbury", be accepted?

SUMMARY

The proposed law is a special act of the legislature applicable to the Town of Sudbury, which would change the form of town administration to a Selectmen-Town Manager form of government. The act transfers a portion of the authority of the Selectmen and other elected officials to the Town Manager, and would change the status of certain elected officials to positions appointed by the Town Manager under the policy direction of the Selectmen.

The Board of Selectmen will be the chief executive officers of the Town, and shall be the chief policy making board of the Town for all subordinate boards and officials. The Selectmen shall appoint a Town Manager, Town Counsel, Town Accountant, and all boards and committees not otherwise provided by law.

The act provides for the appointment of the Town Clerk and Highway Surveyor by the Town Manager and the appointment of Constables by the Board of Selectmen. The administrative functions of the Board of Assessors, including the appointment of a Director of Assessing, and the administration of the departments under elected boards other than Health and School would be placed under the Town Manager.

The financial, personnel and administrative functions of the Town will be vested in the Town Manager as the Chief Administrative Officer of the Town. The Town Manager, appointed at the pleasure of the Board of Selectmen, will appoint all officials and employees of the Town and shall award all contracts for the Town except those of the School or Health Departments.

The legislative powers of the Town shall continue to be exercised by a Town Meeting open to all voters of the Town.

- develop community based, culturally sensitive delivery systems, with consumer choice of health care provider;
- increase efficiency by eliminating the overhead and profits of private health insurance;
- fund health care by payroll taxes and income taxes based on the ability to pay, and
